

## Seamless3d chat

On web during  
2002-2008

Chat

```
thyme : but its both ep's and my favorite world ep made  
alain16 : stupid modem loool  
thyme : sure :)  
thyme : please do :)  
alain16 : c u soon  
thyme : i remeber ep taking a screen shot of this a long time ago in seamless  
thyme : and thinking how good it looked  
thyme : so remebering this I thought what an ideal world for seamless chat  
alain16 : :) byeeee see you soon on Louize
```

Chat

```
thyme : but u moved it out of view  
thyme : u see it now?  
Meribastet : no .. i suppose i did something wrong with the arrows !  
thyme : no  
thyme : do u have a mouse with a wheel?  
thyme : if u do zoom out a little  
thyme : untill u see your av  
Meribastet : well i see it uneder the right tree :)  
thyme : yes :)
```
